## Administrative, Medical and Reimbursement Policies Available

We have worked to create a predictable cycle for releasing administrative, medical and reimbursement policies, so you know what to expect.

Check back each month for a consolidated network notification of policy updates from CareSource PASSE.

## How to Identify

- Reference the list of policy updates.
- Note the effective date and impacted plans for each policy.
- Click the hyperlinked policy title to open the webpage with the full policy.

## Find a Policy

To access all CareSource policies, visit [CareSourcePASSE.com](https://www.caresource.com/passe) > Providers > Tools & Resources > [Provider Policies](#). Select your plan and state, then the type of policy. Each policy page has an archive where you can find previous versions of policies.
