

MEDICAL POLICY STATEMENT OHIO MEDICAID

Policy name	Policy Number	Effective Date

Medical Policy Statements prepared by CareSource and its affiliates are derived from literature based on and supported by clinical guidelines, nationally recognized utilization and technology assessment guidelines, other medical management industry standards, and published MCO clinical policy guidelines. Medically necessary services include, but are not limited to those health care services or supplies that are proper and necessary for the diagnosis or treatment of disease, illness, or injury, and without which the patient can be expected to suffer prolonged, increased or new morbidity, impairment, dysfunction, or disjunction off or the service(s) referenced in the Medical Policy Statement. If there is a conflict between the Medical Policy Statement and the plan contract (i.e., Evidence of Coverage), then the plan contract (i.e., Evidence of Coverage) will be the controlling document used to make the determination.

According to the rules of Mental Health Parity Addiction Equity Act (MHPAEA), coverage for the diagnosis and treatment of a behavioral health disorder will not be subject to any limitations that are less favorable than the limitations that apply to medical conditions as covered under this policy.
